Navigator's Log:

Sir Knights and Ladies,
My report will be short and sweet as Kathy & I have been out of town for a week (not planned). FAMILY FIRST is what I feel like addressing to all of you. I think we tend to all take our children for granted at times, especially when they are grown, on their own and a distance from us. Then an emergency crisis turns us upside down and shakes us back to the reality of what and who are really the most important in our lives. So if you haven't told your children and other close loved ones that you love them or haven't given them a big hug and kiss lately NOW would be the perfect time.

**Fraternally yours,
Faithful Navigator John Cox**

Faithful Friar:

Note: Our Faithful Friar was not able to submit an article this month. In his place, Sir Knight Joe Galipeau wanted to pass on the following information:

The 40 Days For Life started September 26th continuing through November 4th. The program is a focused pro-life campaign that consists of:
40 days of prayer and fasting
40 days of peaceful vigil
40 days of community outreach

You have many ways to participate in this Pro Life effort. Prayer is the first and foremost activity. Pray each day for an end to abortion. Pray for those involved in the abortion industry that they have a change of heart. Fasting, or other self denial for the sake of the unborn is also encouraged. Several councils have times scheduled for

vigils in front of the local abortion mills. For more information, contact Sir Knight Joe at (916) 638-1316 or joe2164@comcast.net or check the web site <http://www.40daysforlife.com/sacramento/>
